Features of WTC Conference Calls unlimited flat-rate conferencing:

- **Unlimited flexibility** – instant, on-demand, ultimate conference call convenience
- **Keep within your budget** – flat-rate conferencing pays for itself after 1 or 2 calls each month
- **Your own private "conference room"** when you need it – no need to reserve in advance
- **Simple recording & playback** of conference calls “on demand”
- **Increase volume or mute** all participants (“lecture mode”)
- **Secure the privacy** of every conference call and announce each participant’s name
- **EASILY INTEGRATES INTO WTC LANGUAGE SERVICES PHONE INTERPRETATION**

Here’s how easy it is:

- Sign up by completing a simple 1-page Service Activation form.
- You’ll receive the conference bridge number which you will dial in the US every time you want to make a conference call, along with your PIN numbers and instructions.
- Now, you can conduct conference calls without a reservation or an operator!

7 ways you can profitably use WTC Conference Calls

Make **UNLIMITED** conference calls **ANY** time from **ANY** where in the world, for one low monthly fee! You can host conference calls without a reservation or an operator!

Now includes 10 minutes **FREE** Phone Interpretation into 100+ languages every month

1. **A powerful combination** – WTC Conference Calls can be used with WTC Phone Interpretation to translate any call into 100+ languages with a LIVE interpreter. You can also choose highly-accurate document translation. Interested? Indicate this on your form.
2. **WTC members** including attorneys, financial planners, bankers, accountants, manufacturers' reps, logistics companies – all can use conference calls to easily and economically promote their services to potential clients.
3. **Global trading companies** can coordinate international trade deals – bringing together attorneys, freight forwarders, customs brokers, bankers, buyers, & sellers to finalize.
4. **Multinational companies** can stay in contact with global locations – sales managers can hold regular sales meetings with field sales offices and field sales personnel.
5. **Manufacturers** can maintain contact with channel partners – new product introductions, pricing changes, and two-way interaction with executives about new market opportunities.
6. **Coordinate software & product development teams** – economically conference daily.
7. **Exporters and importers** can pre-qualify trading partners before meeting in person via web conferencing to present products and interview channel partners.
